

HOT SPRINGS DAY TRIP

Thank you for choosing Viva Africa Tours. As per your request, we have provided a schedule for your hot spring tour. Please go through the following itinerary, and if you have questions, please do not hesitate to contact us via email or phone.

Itinerary

The Chemka Hot Springs are an oasis in the hinterland of the Kilimanjaro region, situated 40 kilometres from Moshi. At these idyllic underground springs with the crystal clear, turquoise water, you can enjoy the perfect rest after a strenuous Kilimanjaro climb or adventurous wilderness safari. But also for day-trippers, they are an ideal destination. Whether it's the old, the young, the quiet or the active, the Chemka Hot Springs invite you to linger, swim and explore. The pond is very deep, in some places up to 10 meters, but the water is so clear that you can see the bottom well all the time. On the shore under lush trees you can camp, enjoy your snacks or soak up the sun.

We pick you up from your hotel early in the morning. The road to the Hot Springs is very bumpy and windy, so driving takes more than one hour. During the trip you can enjoy the wonderful scenery and see the authentic Tanzanian life. When we arrive at the Hot Springs you can swim, relax, eat your lunch and enjoy the sun. If you'd like, while you are swimming we can be preparing a barbecue for you. Additionally, if you desire, we can overnight at the Hot Springs with a camp fire and a bush dinner. Everywhere around the springs you can see baboons and different monkeys.
