

# ZANZIBAR BEACHES 4 DAYS

Thank you for choosing Viva Africa Tours. As per your request, we have provided a schedule for your beach holiday. Please go through the following itinerary, and if you have questions, please do not hesitate to contact us via email or phone.

There are numerous historical locations but Zanzibar beaches are heavenly so you can soak up the sun rays or soak up the knowledge – the choice is entirely yours. From the moment you step off the plane you will feel as though you have travelled back in time. Zanzibar is an island that is filled with a diverse cultural background. The monsoon winds have sculpted the land and culture to produce the Zanzibar we currently witness. Stone Town's Indo-Arabian architecture creates an exotic urban setting for unforgettable summer nights. The markets are laced with fresh aromas and the sound of the ocean crashing to shore will be the last thing you hear before falling asleep.

## Itinerary

### Day One: Moshi to Zanzibar

Prior to landing you will notice that the crystal clear waters of the Zanzibar beaches truly exist. Our driver will collect you from the airport and transport you to the hotel in Stone Town. Stone Town is the ancient city and cultural heart of Zanzibar. You will be pleased to know that much of what you see today is the same as it was two hundred years ago. One could simply meander through the winding alleys, bustling bazaars and mosques for countless hours.

There is an optional Historical Stone Town tour that will guide you through centuries of culture. This tour captures the essence of Zanzibar by visiting iconic land marks including but not limited to – the House of Wonders, the Palace Museum (People's Palace), Dr Livingston's house and the Arab Fort. We will also explore the market, mosques and Cathedrals. There is enough time to analyse the hand carved wooden doors. In the evening there are two options for dinner. You can dine at the hotel or we have something for the foodies. You can tantalize your taste buds with flavoursome local cuisines or enjoy the fresh seafood at the food market, Forodhani Garden.

### Day Two: Stone Town to Kendwa Zanzibar

There will be an optional spice tour in the morning for those who can resist sleeping in and after midday we will make our way to Kendwa to explore the finest Zanzibar beaches. Kendwa's beaches feature golden sand with shimmering water that reflects the clear skies and white foam that will tickle your toes.
