

# LAKE CHALA DAY TRIP

Thank you for choosing Viva Africa Tours. As per your request, we have provided a schedule for your safari. Please go through the following itinerary, and if you have questions, please do not hesitate to contact us via email or phone.

## Itinerary

Our guide will pick you up from your accommodation. You will drive to Lake Chala Safari Camp with a packed lunch box and drinking water. Upon arrival you will see the beautiful private game reserve overlooking the crater lake. Our guide will take you down to the lake and spend a day of swimming and exploring. You will experience the natural beauties of the green scenery, landscape, and will also have the opportunity to meet local people doing their daily activity. There is a very high possibility of spotting the baboon monkey, velvet monkey, blue monkey, antelopes, elephants, and many different birds that live in this wonderful savannah land. You will then be driven back to Moshi in the late afternoon.

There is also the option of staying overnight in a lodge or camping. If you are camping, you can either bring your own equipment or hire upon arrival. There is a bar that serves alcoholic and nonalcoholic beverages and a restaurant that serves snacks and main meals. Staying overnight gives you the opportunity of going on longer hikes, fishing, and having time to relax next to a camp fire.
