Itinerary

Day One: Moshi to Olpopongi Maasai Cultural Village

In the morning we drive to Olpopongi in the West Kilimanjaro region, 74 kilometres from Moshi. Our two hours drive will take us through the beautiful outback of West Kilimanjaro. Depending on the season you can see game like zebras and elephants. On clear days you will have amazing views of Mount Kilimanjaro and Mount Meru. We reach Olpopongi before lunch time, where we will be welcomed by the local Maasai with a traditional welcome song and dance. From there we take a walk around the village and you will check-in your hut for the night. The guides will then take you to the precious little museum, where you will learn about the history, social organisation and tools of Maasai people. In-between this lecture a traditional Tanzanian lunch will be served to give you enough energy for an exciting afternoon. After lunch we visit the midwife and herbalist for a traditional tea in one of the huts. You will learn about the every day life in a Maasai village. After this very spiritual meeting, we have a short break, which you can use for some traditional jewellery shopping or coffee and tea. After tea we embark on a bush walk to learn about the endemic plants and their usage for the Maasai. Our day will be rounded up with a fire making session, bbq and bonfire before you dream away in your 100 % authentic Maasai hut.

Day Two: Olpopongi Maasai Cultural Village to Moshi

Breakfast will be set for us outside in the morning. After breakfast take some final photographs of this unique village and the people you met during our trip. We then greet our farewells and drive back to Moshi. We will reach Moshi around lunch time.
